

TFish Grant Application

Applicants should be the leader, development director, project manager, or grant manager working closely with the leader. If TFish is interested in learning more about your project, we would like to schedule a phone interview or meet you in person if you are near the Bay area. Each year the deadline for applications is March 31st. All applications are reviewed together in April and the results will be announced the end of April.

We recommend all interested applicants to visit our site (www.tfishfund.org) to learn more about our current partners for an idea of the types of projects and partners we are seeking.
